

ADDENDUM No. 2
April 22, 2024

A New Shade Structure project at:
Woodson Elementary School
150 Toomes Ave, Corning, CA 96021
Architect's Project No. 22249

TO: All Bidders

This addendum shall change, adjust or clarify components of the contract documents and shall become a part of the construction documents for bidding and construction of the work. Nothing herein shall conflict with current building codes.

GENERAL

Item 2.1: All components of the new shade structures are to be painted per Specification Section 09 91 00 – Painting in the bid specifications. The colors of the new shade structures will match components of the adjacent play structure to the west of the construction area. Please plan for each individual shade structure to receive two colors: one for the column and one for the canopy (top and underside). Plan for a total of eight colors to be used. All final color selections will be made by the District and furnished paint brushouts shall be approved by District prior to application.
